Acknowledgments

“ Hello Vincent,

A small word to thank Stand ing whole for the preparation, the manufacturing and the assembly of Samsung and Hoist.

Stands are very beautiful and the delighted customers. The assembly took place really well, the guys were pip. Thank you very much to Julien for the piloting and for its support.

And Hoist appreciated a lot the patience of Cyrille for the famous contact lock and the visit of the workshop! ”

“ Hello Vincent, hello Stéphanie,

I want to thank you for the work made for the Paris Book Fair 2016. You knew how to accompany us all the time. During preparations of fronts projects, files, stands, exhibitions.

During the assembly, and the dismantling. The exhibition is also made a success thanks to you. He does not have nothing to say on your commitment, and your support there with REED and with the book fair, if it is not to continue:)

Your reputation on the quality of manufacturing, finish is not to be anymore made. You also knew how to bring us solutions to our problems what is very considerable.

It is really a pleasure to work with you. One thank you to all your teams, each made the contribution, whatever is his position. So again thank you and see you soon. Best regard. ”

A few achievements

Village / Pavilion: a collective stand for grouping several exhibitors within the same block. Each exhibitor thus benefits from a better visibility, even by exhibiting on a small surface, associating his image with that of the excellence of a country, a region, a sector of activity, a room of trade...

General installation: theme space, VIP, conference, reception, lounge, discussion ... we are at your disposal to propose you a space adapted to your needs, your desires and your budget

A few achievements

Stand Pack: a "turnkey" stand with a predefined base, which you configure to your colors, according to your needs and your surface. From small to large space, we offer several ranges of prices, with varied design and facilities.
